

# SNAXPO21

AUGUST 22-24, 2021

Charlotte, NC

# Reconnect

## With your industry at SNAXPO 2021.

Nothing replaces face-to-face meetings and in-person networking when it comes to learning what's new, getting questions answered and building relationships with partners. As the premier event for snack industry professionals, SNAXPO21 delivers this and more. Experience the excitement as the entire community comes back together for these valuable conversations with a wide variety of leaders, experts and exhibitors allowing you to make the best decisions for your business. Unwrap the most important connections at SNAXPO21.

### Explore the Show Floor

Face-to-face meetings with exhibitors are essential to growing your business, and the most important conversations take place at SNAXPO21. Join the entire spectrum of suppliers to source all the latest information and solutions including quality ingredients, packaging innovations, efficiency-boosting equipment and hot new flavors.

software solutions

Processing equipment

### In the Words of an Attendee...

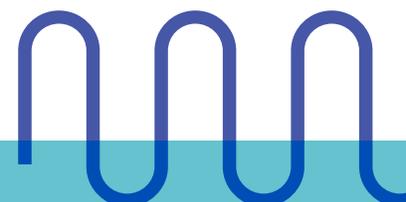

*"SNAXPO is an incredible opportunity to network with vendors, customers and other partners across the snack food industry, whether it's at one of the numerous social events, or when you walk the show floor. I've always found the event to be a very valuable use of my time, because I can meet with many different vendors and partners in a short amount of time"*

~Greg Pearson, CEO, Pretzel's Inc.

# SNAXPO21 INSIGHTS

To prepare for the future, you need the latest insights into the snack industry. Discover this year's upcoming trends and changing consumer tastes—all at SNAXPO21. Learn more at [SNAXPO.com](http://SNAXPO.com).

## CHEW ON THIS

Leading through market disruption requires a new way of thinking. Inspirational speeches will address how harnessing change, adapting business strategy and turning challenges into opportunities will boost your business.

## MAY THE BEST FLAVORS WIN

The Flavor Pavilion competition will take place during SNAXPO21 show hours. New this year, the event will feature both sweet and savory categories. SNAXPO21 attendees will sample and vote for both sweet and savory entries to determine which companies will win the Flavor of the Year Awards.

## REGIONAL TRENDS SPICE THINGS UP

Location is a determining factor in this year's biggest trends, and SNAXPO21 will provide fresh insights. In the U.S., a return to mobile lifestyles means a fresh focus on convenience and connecting with consumers. While in the Latin American market, it's all about examining the hottest flavors, as well as post-pandemic consumer behaviors and spending habits by country.

## A FRESH PERSPECTIVE ON DIVERSITY

Get the scoop on women's leadership in the snack industry through WinS (Women in Snacks) education, featuring collaboration and discussions around why diversity, equity and inclusion are good for business.

## STAY AHEAD OF IMPACTFUL REGULATIONS

Explore current legislative and regulatory priorities for the industry, including labeling, food safety, litigation, nutrition and more.
